

MEFO MOUSSE

Storage: when storing, protect the Mousse from sunlight and the temperature should not exceed 30°C.

Complaints:

The period within which Mousse can be claimed is 8 weeks from the date of manufacture (DOT) and in exceptional cases when the operating time is less than 5 hours.

Maintenance:

Inspect the Mousse continuously, replace if defective.

The enclosed gel pack is for one lubrication.

The mousse must be re-lubricated every time you change!

Use only the gel intended for the mousse for lubrication, no other lubrication!

Re-lubrication must be repeated after each race or competition, please note to lubricate properly not to smear.

INTENDED FOR SPORTING PURPOSES.

Dispose of the product environmentally at the end of its life.

Made in Germany
