

Chain disconnecter

WARNING:

The manufacturer is not responsible for improper use or installation of this product. Read the information below carefully before using this tool.

Usage:

This chain disconnecter is made for 420, 428, 520, 525 and 530 type chains. Place the chain link between the support section and the extrusion pin and tighten the tightening bolt until the chain link pin disengages. Keep all parts well lubricated.

Dispose of the product in an environmentally friendly manner.

Made in TCHAJWAN
